IN HOUSE PROTOCOLS REGARDING COVID-19

- All customers are being served at our outside covered sales desk area located at the main sales doors of Bay #201. This area is cleaned on an hourly basis and allows customers to interface with our sales staff at a safe and comfortable distance.
- All freight / courier inbound and outgoing is handled at our Bay #202 outdoor covered shipping / receiving area. This area is cleaned every hour and allows for safe and comfortable interactions when delivering or picking up product.
- Payment for product is currently handled by the following methods.
 - Charged to customers account
 - Visa / Mastercard / Debit - Terminal washed after every use.
 - We are recommending you not use cash at this time.
- We ask that all Customers Respect the Physical Distancing Rule of 2 Meters while at our location and have instructed our Staff to follow the same Protocol.
- All Technicut Staff have agreed to a Safety Protocol which includes 10 Points to achieve the safest work environment possible and provide a safe risk reduced shopping experience for our customers. The cornerstones of this Protocol are... **HAND WASHING AND PHYSICAL DISTANCING.**

If you have any questions regarding any of our Protocols or want to make us aware of any that you have put in place please contact any of our Management Team. We will be happy to assist you.

Thank you.
