TRADE UP TO A JCM200AUTO MAG DRILL AND AUTO SAVE

PROMOTION - MARCH 1ST - JUNE 30TH, 2024

Take in your old mag drill to your local participating FEIN distributor. Any make. Any model. Dead or alive. Exchange it for a **JCM 200 Auto** and pay **only \$3,245** for it, a **savings of \$1,818**.

Take advantage of this special offer to increase your efficiency by automating part of your drilling operations with an automatic mag drill.

ADVANTAGES

- + Drill 40% faster than a hand-operated mag drill. Work at a constant speed all day long.
- + Operate multiple mag drills instead of one mag drill at a time.
- + Reduce fatigue and increase safety.
- + Versatility - you can core drill, twist-drill, tap, countersink and ream.
- + Get more holes done in a day with less effort.
